## Discover the Smart Start Options

The Smart Start Accumulator Series streamlines the allocation diversification process, making it easier than ever to tailor financial strategies to your clients' unique needs. To support this approach, we've developed a straightforward questionnaire designed to guide clients toward the allocation option that best aligns with their goals and risk tolerance. It's a simple yet effective tool that empowers both you and your clients to make confident, informed decisions.

### Reaching the Next Generation

We're excited to introduce a new brochure designed to help you connect with Millennials and Gen Z clients. This resource breaks down the value of annuities in a way that resonates with younger generations—focusing on financial independence, long-term security, and flexible retirement planning. Use it to spark meaningful conversations and show how annuities can be a smart part of their financial journey.
