Annuities

For financial professional use only. Not for use with the public.

Annuities are long-term products designed for retirement. Early withdrawals may be subject to withdrawal charges. Partial withdrawals reduce contract value and may reduce certain benefits under the contract, such as the death benefit and the amount available upon surrender. Withdrawals of taxable amounts are subject to ordinary income tax and, if taken prior to age 59½, an additional 10% federal tax may apply. Guaranteed lifetime withdrawal benefits and guaranteed living benefit riders may be optional or standard. Additional fees, age restrictions, withdrawal parameters, and other limitations apply.

Annuities issued by **American General Life Insurance Company** (AGL), Houston, TX except in New York, where issued by **The United States Life Insurance Company in the City of New York** (US Life). Guarantees are based on the claims-paying ability of the issuing insurance company and each company is responsible for the financial obligations of its products. Products and services may not be available in all states and product features may vary by state. **AGL does not solicit, issue or deliver policies or contracts in the state of New York**. All companies are members of Corebridge Financial, Inc.

The purchase of an annuity is not required for, and is not a term of, the provision of any banking service or activity.
