

Asset Care[®] enhancements debut in CT, DC Plus, Flex underwriting in these states, as well as FL, NJ

Today I'm pleased to announce the OneAmerica Financial[®] debut of an enhanced product offering. New features help address many of the most complicated aspects of providing and receiving long-term care while highlighting our delivery of **caring expertise at every step**.

We help you grow your business by caring for your clients. We know that for families, long-term care protection is about more than finances — it's about compassion during challenging times. That's why we've designed our newest Asset Care offering to provide solutions delivered with flexibility and care. It enables your clients to cover long-term care expenses if they need it or leave a financial legacy to loved ones if they don't.

Other important information

[State availability](#)

[Transition rules](#)

It's now easier than ever to submit cases for Asset Care.

Starting **today**, Flex for Asset Care is available in **Connecticut, District of Columbia, Florida and New Jersey*** for all business submitted electronically — whether through the OneAmerica Financial producer portal (OneSource Online) or your organization's eApp platform.

Flex combines smart automation with a personal touch, so you can deliver a better experience to your clients.

Important application dates:

- **Started before Jan. 24:** Follow our current underwriting process.
- **Started but not submitted by Jan. 24:** Applications will need to be restarted using the new application and will follow the Flex underwriting process.
- **Submitted after Jan. 24:** Use the new application and will follow the Flex underwriting process.
