

## eDelivery Consent form is now live

In our continued commitment to a convenient and reliable eDelivery experience for our policyholders, we've updated how applicants opt in to receive documents electronically.

To ensure compliance with current laws and regulations, a signed **Voluntary Electronic Opt-in Consent and Disclosure** form must now accompany submissions across all products and states when applicants choose eDelivery.

Here's how to access the form:

- **eApps**: The form is built into our eApp workflow. Simply follow the onscreen steps as you complete an application.
- Paper applications:
  - Log into <u>OneSource Online</u>.
  - Click on Find a Form.
  - Choose Basic Search.
  - Select New Business / Underwriting from the Service Type drop-down options.
  - Select state, product type and product name.
  - o Click Get PDF Form Package.

Thank you for ongoing collaboration in supporting our clients. If you have any questions, please contact your case manager.
