

Product Training Requirements for Asset Care[®] Enhancements for DE, ND, SC, SD

For more than 35 years, the companies of OneAmerica Financial[®] have been leaders in long-term care (LTC) protection, offering flexible solutions delivered with care. With Asset Care, if your clients need LTC support, they're covered. If not, they can leave a financial legacy for loved ones.

To comply with NAIC Best Interest Regulations, we are making updated Asset Care product training available. Producers meeting these criteria must review the training presentation below prior to selling, taking or submitting an application:

- Licensed in [states in which enhanced Asset Care products are available](#), AND
- Have previously completed the Asset Care (19CSACv2) product training course or one of its predecessors

[View training content](#)

If you've not yet completed Asset Care product training through OneAmerica Financial or are unsure if you have, please visit the [Training & Annuity Certification](#) website to access the required training.

For use with financial professionals only. Not for public distribution.
