## Disaster Relief – Georgia

On April 23, 2026, the State of Georgia issued a State of Emergency due to active wildfires and hazardous fire conditions. On May 8, another State of Emergency was issued with updated guidance on affected counties. Many families were displaced and the firefighters continue to try to control the blazes. In alignment with GA OCISF - Directives 26-EX-1 and 26-EX-3, Pacific Life will provide accommodations for impacted policyholders. Review the table below for a list of affected counties and related time frames.
